

PROPOSED ZONING REGULATIONS AND THE SIZE OF DWELLINGS

INFORMAL Q & A SESSION

The City of Newport Beach is considering a comprehensive update of the Zoning Code. Proposed changes in regulations may affect the sizes of additions to existing dwellings and the sizes of new dwellings. Planners from the City of Newport Beach Planning Department will introduce the proposed changes to the regulations at an informal meeting this Thursday.

Implications for possible changes in the sizes and shapes of homes constructed or expanded under existing regulations and those that could be constructed under the proposed regulations will be discussed. After the presentation, Planners will be available to answer your questions and hear your comments.

When:	June 10, 2010
Time:	6:30 p.m.
Where:	City Council Chambers 3300 Newport Boulevard

The Planning Commission will conduct a public hearing on this subject as well as other components of the Zoning Code on June 15th at 6:30 p.m. in City Council Chambers.
